

OFFICIAL CCCAA COLLEGE NAMES and ABBREVIATIONS (TEAM ID's) REQUIRED FOR STAT CREW STATISTICS**ALL SPORTS**

Many of the ID abbreviations below are already in common use.

NOTE: The word "CITY" is NOT used in college names.

The aim is to make colleges recognizable statewide, while distinguishing among colleges which may normally utilize similar abbreviations. COS, COM, CHA, SAC, SCC, for example, could all refer to more than one college. There are several "Valley" colleges.
